Dear Michael Russo:

Thank you for your public records request to the Chicago Transit Authority. Your request has been received and is being processed.

Your reference number for tracking purposes is: R002425-042226

Records Requested: Freedom of Information Act Officer
Chicago Transit Authority

Re: Supplemental FOIA Request – Change Orders to Contracts B21OP04714A and B21OP04714B
Related to: FOIA Reference No. R002355-041326

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140), I respectfully request the following records related to change orders executed under contracts B21OP04714A (Inter-Con Security Services, Inc.) and B21OP04714B (Monterrey Security Consultants, Inc.).

Background: Ordinance No. 024-140, passed October 9, 2024, authorized Change Order No. 2 to contracts B21OP04714A and B21OP04714B, adding \$26,000,000.00 and revising the combined contract value to \$97,000,000.00.

The ordinance states that Change Order No. 1 to the contracts did not authorize additional funding, and that the additional deployments resulting in the \$26 million overrun began almost immediately upon contract execution in April 2022.

This request seeks records explaining the change order history and the circumstances under which the contracts were operated significantly above the board-authorized amount for approximately two and a half years before retroactive board approval was obtained.

The Chicago Transit Authority responds to all public records requests in accordance with the Illinois Freedom of Information Act (FOIA), 5 ILCS 140/1 et seq.
