RE: FOIA Request of May 04, 2026, Reference # R002495-050526.

Dear Michael Russo,

A five business day extension is needed on your FOIA request for the following reasons:

The requested records have not been located in the course of routine search and additional efforts are being made to locate them.

Sincerely,

David Montgomery

So, now the records you said before were outside the scope of what I asked for are now difficult to find because I narrowed my scope?

That doesn't seem odd to you?
