RE: NOTICE OF RESPONSE TO FOIA REQUEST
FOIA FILE NO.: P169488

Dear michael@policytorque.com:

The Chicago Police Department (CPD) is in receipt of your Freedom of Information Act (FOIA) request for the following:

*Re: Follow-up FOIA Request — Transit Section Enforcement Authorization and Arrest Category Definition
Related to: Please see FOIA File No. P166396*

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140), I respectfully request the following records related to the Chicago Police Department Transit Section's enforcement activities beginning in calendar year 2022.

Background: Records produced under FOIA P166396 show a significant increase in Transit Section ANOV issuance and arrests beginning in 2023 — a 157% increase in total ANOVs from 2022 to 2023, and a 224% increase in total arrests over the same period. A review of publicly available records indicates that the CTA expanded its enforcement apparatus in 2022 through new CPD patrol agreements, contracted private security, K-9 units, and an off-duty officer program. This request seeks records explaining the authorization, direction, and charge classification practices associated with that expansion.

Your request was reviewed by CPD in consultation with our Bureau of Internal Affairs and Office of Legal Affairs and a search was conducted in relevant CPD databases utilizing the provided search parameters. Search results returned as negative. Therefore, CPD has no responsive records to your request as it is stated.

You have the right to have a denial reviewed by the Public Access Counselor (PAC) at the Office of the Illinois Attorney General, 500 S. 2nd Street, Springfield, Illinois 62706, (877) 299-3642. You also have the right to seek judicial review by filing a lawsuit in Cook County Circuit Court.

Sincerely,

R Earnshaw
Freedom of Information Act Officer
