Dear Michael Russo,

On the behalf of the City of Chicago Department of Finance ("DOF"), I am responding to your Freedom of Information Act ("FOIA") request sent on April 20, 2026 and received by DOF on April 21, 2026, seeking records to the following:

"Pursuant to the Illinois Freedom of Information Act (5 ILCS 140), I respectfully request the following records related to the collection of fines assessed through Administrative Notice of Violations (ANOVs) issued by Chicago Police Department Transit Section officers for transit-related violations on Chicago Transit Authority property. Background: I contacted the Department of Administrative Hearings (DOAH) regarding collection records for transit ANOVs. DOAH's FOIA liaison confirmed explicitly that DOAH does not collect fines and therefore has no collection records. DOAH indicated that the Department of Finance may be the appropriate custodian of this data. This request is filed on that basis. Record Set Requested: For each calendar year 2018 through present, records sufficient to show: 1. Total fines levied on ANOVs issued for transit-related violations on CTA property, broken out by year and by violation code or violation category if available in aggregate if not. 2. Total fines collected on those ANOVs, broken out by year. 3. Total outstanding balances on transit-related ANOVs written off, discharged, or referred to a third-party collections agency, broken out by year. 4. The collection rate (fines collected as a percentage of fines levied) for transit-related ANOVs, by year, if tracked as a derived metric. 5. If the Department of Finance does not maintain transit-specific breakdowns, records sufficient to show total administrative adjudication fine revenue collected citywide by year, along with any documentation identifying which issuing department or violation category the revenue is attributed to. If the Department of Finance does not maintain any of these records, please provide written notice to that effect pursuant to 5 ILCS 140/8(g), and identify in writing the city department or office that does."

Pursuant to 5 ILCS/140, you will find information pertaining to your request enclosed in accordance with the FOIA Act through GOVQA at the following entry of the Department of Finance (F136682-042126).

To the extent that your FOIA request has been denied, you have a right of review by the Illinois Attorney General's Public Access Counselor, who can be contacted at 500 S. Second St., Springfield, IL 62706 or by telephone at (217)558-0486. You may also seek judicial review of a denial under 5 ILCS 140/11 of FOIA.

Sincerely,

April Lundberg
